## HEALTH INSURANCE

### Participation

The teachers' group health insurance plan is compulsory for all teachers except those who are already similarly protected through their spouse's health insurance. The insurance carrier is Industrial Alliance Insurance. It is also compulsory to cover family members if they are not already covered through one's spouse's insurance, because of Quebec's drug insurance law.

Those who have not joined the plan upon employment and wish to join later (if, for example, their spouse's insurance no longer covers them) and those who wish to increase their coverage from individual to family may be expected to show evidence of insurability for the new participants (medical attestations), depending on the circumstances and deadlines involved.

### Coverage

This insurance plan is designed to cover most medical costs that may be incurred which are not covered by the public medicare system, including medical costs incurred while travelling outside Quebec. It is usually advisable for a teacher to check with the union office or QPAT if they incur **any** medical costs and does not know if such costs are covered by the plan. A complete description of the plan is available on QPAT's website, in the Documents section.

There is a deductible of \$25.00 per year for individual coverage and \$50.00 per year for family coverage.

### Cost (for 2021)

For those under age 65, the cost (9% tax included) of the plan is \$57.48 per pay (individual), \$81.13 per pay (with single parent), \$109.50 per pay (couple), or \$133.16 per pay (entire family).

For those aged 65 or over, who are covered for drugs by RAMQ rather than by our plan, the cost (9% tax included) of the plan is \$29.93 per pay (individual), \$53.58 per pay (with single parent), \$54.40 (couple) or \$78.05 (entire family).

Part-time teachers may choose to cover members of their family for drugs only, instead of for drugs and all the other things our plan covers. In that case the cost (9% tax included) of the plan is \$57.48 per pay (individual), \$67.68 per pay (with single parent), \$89.69 per pay (couple), or \$99.89 per pay (entire family).

### Joining the Plan or Changing your Coverage

It is possible to join the plan at any time, if you no longer have coverage by a spouse's plan, subject to the conditions mentioned under **Participation** above. You can also change your coverage by adding or subtracting members of your family. Please write to Cecile Gudsuz at the EMSB Human Resources Department (cgudsuz@emsb.qc.ca) for the appropriate application form.

## LIFE INSURANCE

There is an **optional** group life insurance plan available to teachers. Deductions are made directly from paycheques by the employer, again by virtue of the collective agreement. The insurance carrier is the Industrial Alliance Insurance.

### **Cost (for 2021)**

The life insurance may be bought in units of \$25,000 to a maximum of 6 units. The cost of each unit is \$1.60 (9% tax included) per pay. It is term insurance, i.e., it expires upon retirement or resignation.

### **AD & D Insurance (Accidental Death and Dismemberment)**

Any teacher may also opt for even more life insurance (against **accidental** death only) at any time, with no proof of insurability required. It is relatively much cheaper than the above, because it insures against **accidental** death only. (There are also benefits in the case of loss of a limb, etc.) The cost is only \$0.23 (9% tax included) per pay per unit of \$25,000. A teacher may choose up to 14 units. A brochure is available. Many teachers opt for some units of the "regular" life insurance and some units of the cheaper AD & D insurance.
